- BOYS & GIRLS CLUBS OF SOUTHEASTERN MICHIGAN**
Great Futures Start HERE! We carry out our vital mission by giving youth safe places to spend their out-of-school time. Every year, nearly 15,000 youth at our 10 Clubs in southeast Michigan rely on their neighborhood Boys & Girls Clubs rather than be on their own afterschool and during the summer. Boys & Girls Clubs use these critical times to help youth develop academic success, good character and citizenship, and healthy lifestyles. Our goal is that every youth stays in school, graduates prepared for college or career, becomes a contributing member of his or her community, practices healthy habits, and avoids risky behaviors. We provide children with arms-around care, safe homes and environments, a first-class education, and opportunities to learn more about themselves and the world. The result? 100% of our scholars graduate from high school and attend college. 313.862.0707 · Chairperson: Patrice Johnson · (MICS 729346)

- MARCH OF DIMES DETROIT**
Giving a fighting chance to every baby, that is what you are doing when you support the work of the March of Dimes. 1 in 10 babies is born too soon in the United States and what is worse is that 1 in 6 babies is born too soon in Detroit. In the United States, premature birth and its complications are the leading cause of infant mortality, accounting for more than one-third of all infant deaths. We imagine a world in which every baby has the opportunity to thrive, live the future they choose and grow up to change the world.
